

REMARKS

Claims 1-15 and 19-24 remain in this application for consideration. All of these claims were either allowed or were indicated as containing allowable subject matter in the previous Office Action.

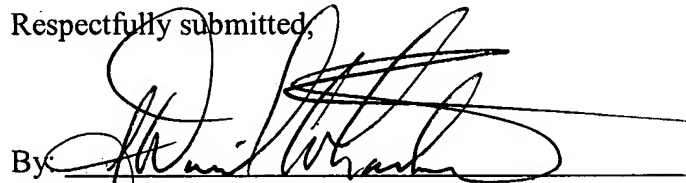

The objection to claim 16 has been rendered moot by the cancellation of this claim and the substitution of new claim 24.

The rejections of claims 5, 15 and 19 under 35 U.S.C. §112 have been addressed. Specifically, in claim 5 the word "tray" has been inserted; in claim 15 the dependency has been changed to claim 14 and proper antecedent basis has been provided for "said upper end" and "said lower end". In claim 19 the typographical error has been corrected.

Newly submitted claim 24 corresponds to claim 18 as originally filed which was indicated as containing allowable subject matter. The dependency of claims 19-23 has been changed to newly submitted claim 24. Thus, all of claims 19-24 are allowable.

The Examiner's assistance in bringing certain formal matters to the attention of the applicant is acknowledged with appreciation. It is believed this application is in full condition for allowance.

Respectfully submitted,
